

**PESTICIDE DISPOSAL  
PROGRAMS AND  
FUNDING SOLUTIONS TO  
SUPPORT STATE  
PROGRAM  
ARIZONA**

# Funding sources:

- Pesticide Registration Fees:
  - Originally given authority for fee increase – tracked separately – up to \$100,000 for disposal and recycling
  - Industry rep thought we could do it without increase
  - No program – 2 years
  - Current – authority for fee increase to allow for program – Sunsets 2016
- Federal – once in a while – current is to try and help out tribal entities and their folks on Indian lands.

# Arizona's Program

- Registration is required
- Clearly nothing but pesticides
- Collection events
- Practical information

# Contractor:

## Challenges

- Waste disposal
  - Unpopular – acids, aerosol containers, canisters

# Challenges:

Times of Arrival

Limit wastes disposed

2/11/16

# ACRC Contractor - Interstate Ag Plastics

Challenge: State Procurement – Sole source for recycling

Thank you!
