- **Monitored by Environmental Staff**
- **Joint web-based activation**
- **Rules of program to custom fit**
- **Customized reporting**
- **Special services**

How are they handled?

Triple Rinse?

Haz-Mat?

P-Listed?

www.ibcna.com/agribc

We know what the product last contained was – up front!

- Chemical name
- Triple Rinsed

Check In IBC

Plastic is Ground

Material is reused!

Material is reused!

AGRIBCs and containers are never washed out and resold

Plastic scrap is never sold to Asian processors
