Pennsylvania CHEMSWEEP Waste Pesticide Disposal Program: Contracts, Logistics, Management

The Pesticide Stewardship Alliance Conference San Antonio, TX February 15, 2011

> Don Gilbert via Dept. of Agriculture estate.pa.us

CHEMSWEEP Overview

- © Began in six counties in 1993
- Expanded from farmers-only to include commercial applicators and businesses
- Extended to homeowners through DEP HHW collection program
- Operates site-to-site collections; No central collection events on the Ag side
- © EMSWEEP operates under Universal Waste regs

Products Accepted

- Pesticides that meet the definition of "universal waste"
- Labpack quantities of Dioxin precursors (2.5 gal. or less)
 - Silvex
 - 2,4,5-T
 - Pentachlorophenol
- Pressurized cylinders such as methyl promide will be assessed on a case-bye basis

Products Not Accepted

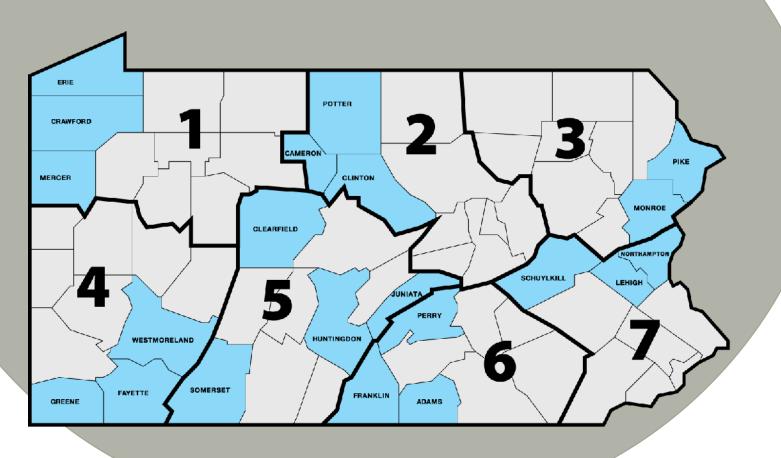

- Oxidizers such as pool chemicals
 - Sodium/Calcium hypochlorite
 - Bromine
- Non-pesticides
 - Paint
 - Solvents
- Fertilizers/ Micro-nutrients

Contract

- PDA issues a Request For Proposal for farm-to-farm collections
- Request single price-per-pound to include everything from scheduling through proper disposal & documentation
- Pressurized cylinders are a separate line item on the PO (oxidizers may follow suit on next ontract)
- © A contractor assumes generator status of collection

Scope of Program

© DA selects up to 21 counties each year

Selected Counties for CHEMSWEEP 2011

- On Dec. 1, mailers sent to all private applicators, application businesses and pesticide dealers
 - Cover letter
 - FAQ
 - Inventory form (Region specific)

- Field inspectors receive completed inventories by March 31 due date
- Physically verify each inventory within a few weeks
 - Site access
 - Are containers leaking?
 - Is cleanup required?
 - Take photos of anything pertinent
 - ample unknowns over 50# or 5 gal. (testing by PDA lab)

- Verified inventories & photos sent to program manager
- Inventories are tracked on a spreadsheet
 - Name
 - Site Number
 - Estimated weight
- Inventories are organized by PDA Region then forwarded to contractor for eduling

Scheduling

- © Contractor creates draft route with proposed collection dates
- Field inspectors review/change route according to site access, weight limits, low bridges, etc.
- Schedule finalized

Scheduling

- ontractor sends note card reminders to participants 2 weeks prior to collection
- Inspectors lead contractor to each collection site

Chemsweep Participant:

You have registered to participate in the PA Chemsweep
Program. MXI Environmental Services is the disposal contractor
who will be collecting your unwanted pesticides registered in
the Program. We will be accompanied by a PDA inspector.
We will be at your pesticide storage location on 7/28//o
in the receiving / afternoon to collect them. Please be sure that
the storage location is unlocked and that we can get to them.
If you have any questions, please contact me at the telephone
number below or Don Gilbert, PDA, at 717-772-5210.
Thank you.
Dan Schweitzer, MXI Environmental Services, 804-932-9530
